Description

2023 Stacer 499 Crossfire Side Console. This aluminium boat is a unique hull to Stacer only, offering a large open bow section fitted with v bunks, suitable for family outings which then can be easily converted with an infill panel to a casting platform for fishing.

Built with 4mm bottom sheets and 3mm sides, this tough boat will handle most weather conditions be it inshore or offshore, making it an ideal boat for Lake Macquarie or off Newcastle harbour.
